The leveler worked fine, and we did consider adding the VOR ...

Century 1 Autopilot help - CESSNA 172 FORUM - Cessna 172 ...

The Piper AutoFlite II became the Century 1. This is the only dedicated* single-axis, rate-based autopilot still available from Century and it maintains the same capability—it offers roll axis only with tracking, but no heading hold. The lack of heading hold makes this a less desirable option, unless you never find yourself being vectored in ...
