Question, what is fastest a DB5 or a Citroen C15D.

[Citroen C15D versus a DB5](#)

The popularity of French automobiles may not be at the high point now that it was in the early stages of the last century, but even with the advances made by other nations, there are still several brands which owe either their existence or a significant element of their popularity to the nation.

Back in 1984 when Citroen first launched the C15 van, few people imagined that this kooky little contender would outlive all its contemporaries. But that is exactly what happened and believe it or not, the Citroen/Peugeot factory in Vigo, north western Spain, is still churning out C15s - and what ...

[Citroen C15 for sale - January 2020](#)

Launched back in 1985, the kooky Citroen C15 embodies everything that people love and hate about the French maker. As with the 2CV car, this van is as French as garlic and snails and looks like it might tip over at any minute while negotiating bends.

The C15 has extremely comfortable suspension and is a very unstressed vehicle as they are fitted with a Peugeot 1.9 diesel engine. Mine has a genuine C15 roof rack which makes this van hugely practical. The load space is great- way better than a 2CV Van (had one of those!). All the locks work. Jack present. Heater blower works. All tyres very good.
