How you make this: If you never made a paper model like this before this is how you do it. There are pages in the book and on the pages are various pieces that you cut out, fold and glue together in sections. First you build the outer wall piece by piece then you build the inner sections piece by piece.

Crusader is divided into missions, each with their own locations and objectives. Settings vary from factories to military bases to offices to space stations, and contain a variety of enemy soldiers and servomechs, traps, puzzles and non-combatants (who can be killed with no penalty and their bodies can be looted for credits).
