

Human Capital Management Ibm

Human Capital Management Ibm

Our approach to human capital management looks at four key factors: More from People is about driving maximum business performance through strategic management of human capital. Better HR is about improving client HR service delivery and reducing the overall cost of their HR function.

IBM Business Strategy Consulting - Human Capital Management

Armada Human Capital embraced IBM Kenexa Employee Assessments—an analytics-driven platform that uses behavioral science techniques to measure traits, skills and culture fit of each candidate, and help predict their suitability for a role. “In the past, we would go through a long- and shortlisting process for all the resumes we received for an opportunity, followed by pre-screening over the phone and face-to-face interviews,” explains Mimano.
