Extreme Gamer - Intec Controller Review Xbox Review

I was using the wireless controller that came with the Xbox One S. I'm also having that same problem when selecting anything...ie. "Settings" and I get stuck in that dialog box and cannot return to the previous page. If anyone knows where I can download a user manual for my Xbox One S, it would be greatly appreciated.

Intec Ps3 Wireless Controller Instructions

The Maxxis 5 from Minebea Intec Intec combines accuracy, connectivity and functionality to provide a process controller unlike any other. Specifically designed to solve many of the problems faced by today's manufacturers, the Maxxis 5 easily takes control of all modern automation processes.

Intec wireless Xbox controllers - The Globe and Mail

I recently bought a set of 2 X-Box controller ports off Lama's site, google it if ya dont know it, i just finished modding an USB cable to one of the ports. I tested to see if it works on a regular X-Box Controller, and, success, it works on the first time (W00T). then I tried my brother's Logitech wireless pro controller on it, it worked as well.
