MORES | meaning in the Cambridge English Dictionary

Mores are the customs, norms, and behaviors that are acceptable to a society or social group. If your personal morals are in disagreement with local mores, you should be prepared to be annoyed every time you read the local Letters to the Editor. Mores and morals have similar meanings — mores are the morals of a group or society itself.

mores - Dictionary Definition - Vocabulary.com

Philosophers do not wholly detach themselves from the mores of their race. There are three things at least, as regards our mores that cannot be accomplished. Nothing can ever change them but the unconscious and imperceptible movement of the mores. No less remarkable than the persistency of the mores is their changeableness and variation.

Mores Synonyms, Mores Antonyms | Thesaurus.com

The term "mores" refers to the norms set by society, largely for behavior and appearance. Individuals who do not follow social mores are often considered social deviants. Social Mores You May Be Familiar With Mores are often dictated by a society's values, ethics, and sometimes religious influences.

Mores Examples: Common Cultural Expectations

Mores are more strict than folkways, as they determine what is considered moral and ethical behavior; they structure the difference between right and wrong. People feel strongly about mores, and violating them typically results in disapproval or ostracizing.

Folkways, Mores, Taboos, and Laws

The Moors were the Muslim inhabitants of the Maghreb, the Iberian Peninsula, Sicily, and Malta during the Middle Ages. The Moors initially were the indigenous Maghrebine Berbers. The name was later also applied to Arabs.
