Tennis Ace - A free Sports Game - miniclip.com

Tennis Ace is a visual novel following in the more traditional Japanese VN mold, with a lengthier prologue, a higher focus on characterization and anime-esque art.. In the game, you follow the life of an 18-year old boy who aspire to become a professional tennis player at the end of his senior year in high school.

Tennis Ace by WOTB - itch.io

In tennis, an ace is a legal serve that is not touched by the receiver, winning the point. In professional tennis, aces are generally seen on a player's first serve, where the server can strike the ball with maximum force and take more chances with ball placement, such as the far corners of the service box.

LAZY, BUT FAMOUS? (Tennis Ace - Episode 1)

Context for Ace. Typically, a player will hit an ace on their first serve where the speed of the ball tends to be greater than a second serve. An ace often occurs when a player serves up the middle or out wide because it's harder for the receiving player to get their racquet on the ball.
