The Knowledge Book : Everything You Need to Know to Get by ...

About the book. The Knowledge is a journey of discovery, a book which explains everything you need to know about everything. This is a quickstart guide for rebooting civilisation which will transform your understanding of the world – and help you prepare for when it's no longer here....

---

Top 7 books that I can recommend you to improve your ...

It's a little presumptuous to title a book, "The Knowledge Book," don't you think? It's even more presumptuous to subtitle a book "Everything you need to know to get by in the 21st century." However, in spite of the self-hype, I have to admit this is a very appealing book.
