### EU law | European Union

European Union law is the system of laws operating within the member states of the European Union. The EU has political institutions and social and economic policies. According to its Court of Justice, the EU represents "a new legal order of international law". The EU's legal foundations are the Treaty on European Union and the Treaty on the Functioning of the European Union, unanimously agreed by the governments of 28 member states. New states may join the EU, if they agree to operate by the ru

### How does the EU pass new laws?

But the new rules allow people to band together and file class-action style complaints, a legal approach that hasn't been as common in Europe as in the United States. Eager to exploit the new law, privacy groups are planning to file cases on behalf of groups of individuals.

### Types of EU law | European Commission

In recent years, the European Commission has been confronted with crisis events in some EU countries, which revealed systemic threats to the rule of law. The Commission reacted by adopting the rule of law framework to address such threats in EU countries. The objective of the rule of law framework ...

### European laws - Citizens Information

In The New European Private Law, Martijn W. Hesselink presents a revised and supplemented collection of essays written over the last five years on European private law. He argues that the creation of a common private law in Europe is not merely a matter of rediscovering the old *ius commune* or of neutrally establishing the present 'common core' which may be codified in a European Civil Code.

### The New European Law Of

The EU's commitment to the rule of law, set out in Article 2 of the Treaty on European Union, is straightforward. It stands for legality, legal certainty, the prohibition of arbitrary exercise of authority, the separation of powers, and an effective and independent judiciary.
