Any tips for how to make the most out of this thing? So far I have 4 comprehensive cutters, 4 comprehensive grinders, 4 electric furnaces, and 2 each of skivers and blenders. It seems I can put in orders to make as much of something as I want, but the process seems slower than if I had just used the individual machines. For example, if I had 4 grinders chugging out 50 orders of bronze pipes ...
