now create smarter text-searchable documents using Optical Character Recognition (OCR) in the Cloud. A locally hosted (on-premise) OCR feature is also available in the Percolator with release 19.0 and later.. As of release 17.2, PaperCut MF for Xerox has both integrated print and scan capability.

PaperCut MF - print, copy and cost control for Xerox ...

Hi Tammy, Thank you for reading the At Your Service blog. I have been unable to find that code in the documentation I have. If turning the machine off waiting a full 30 seconds and then powering the machine back on does not clear the code then I suggest you contact your local support centre to see if they might have an explanation for the code and a solution.
